“I look to Catholic schools in the Archdiocese to be places that strive for excellence in their teaching and learning processes and also places that:

- introduce students to the Gospel
- teach the Catholic Tradition
- are places of justice and prayer
- challenge students to work to improve society through service and action based upon the teachings of Jesus Christ.”

Archbishop Rev J.A. Bathersby
Archbishop of Brisbane (Nov 1996)

The Year 10 Religious Education program is basically academic in its orientation and its major focus is on the study of Christianity from the Catholic tradition. The Religion course seeks to assist students:

- to grow in their knowledge and understanding of Jesus and of God’s self-revelation through Jesus;
- to understand the Catholic tradition;
- to understand the impact of Christian morality on our day to day living.

The following topics are covered in Year 10:

- Spirituality: The Human Quest for Meaning
- Moral Issues
- Dreaming a Preferred Future: Jesus and Social Justice
- Interpreting the Scriptures

Assessment in Religious Education takes place each term. The criteria used for assessment are as follows:

- Knowledge and Understanding
- Process Skills (analysis, evaluation, drawing conclusions etc)
- Communication (written and non-written)

Students have opportunities to be involved in class prayer, class Mass, liturgical preparation for whole school Masses etc. A one day Reflection Day is part of the Religious Education Program.
