San Sisto College
Board Policy

San Sisto college
is an Archdiocesan Catholic Secondary Girls school.
Our mission, vision and values reflect and honour our
Dominican heritage, traditions and ethos.
This policy is intended to guide college practices so that we may be a
college of excellence and best practice giving authentic witness to
Christ.

Policy
Business, Finance and Assets

Our business, finance and asset management practices must ensure financial viability and be
underpinned by honesty, accountability and transparency.
It is imperative that our professional practices include appropriate operational and strategic
planning, prudent use of resources and give consideration to environmental sustainability.
