

# NEXT STEP 2016 DESTINATIONS OF 2015 YEAR 12s San Sisto College

## Introduction

This page presents a summary of results of the annual *Next Step* survey for San Sisto College. The *Next Step* survey, undertaken by the Queensland Government, targets all students who completed Year 12 and gained a Senior Statement in 2015, whether they attended a state, Catholic or independent school, or a TAFE secondary college. The Queensland Government Statistician's Office conducted the survey between March and June 2016, approximately six months after the young people left school. Responses were collected online and via computer-assisted telephone interviewing.

Statewide and regional reports from the *Next Step* survey will be available on the *Next Step* website in September 2016 at [www.education.qld.gov.au/nextstep](http://www.education.qld.gov.au/nextstep).

## Response rate for San Sisto College

Table 1 below reports the response rate for San Sisto College. It expresses the number of respondents from this school, as a percentage of all Year 12 completers who attended San Sisto College in 2015.

Due to the low response rate, these results should be interpreted and used with caution.

## Definitions of main destinations

The pathways of Year 12 completers were categorised into ten main destinations. Year 12 completers who were both studying and working were reported as studying for their main destination. A table defining these categories can be found in the statewide report at [www.education.qld.gov.au/nextstep](http://www.education.qld.gov.au/nextstep).

## Summary of findings

In 2016, 75.0% of young people who completed Year 12 at San Sisto College in 2015 continued in some recognised form of education and training in the year after they left school.

The most common study destination was Bachelor Degree (62.5%). The combined VET study destinations accounted for 12.5% of respondents, including 8.3% in campus-based VET programs, with 6.3% of Year 12 completers entering programs at Certificate IV level or higher.

4.2% commenced employment-based training, all as apprentices.

In addition to the above study destinations, a further 8.3% of respondents from this school deferred a tertiary offer in 2016 (deferrers are included in their current destination).

25.0% did not enter post-school education or training, and were either employed (20.8%), seeking work (2.1%) or not in the labour force, education or training (2.1%).
