College Fees Additional Information

Year Levies

Year Levies for all cohorts will be charged quarterly instead of the full amount in Term 1, as has been the case in previous years.

Damaged Laptops

Accidental Damage: Dell provides the College with one “Accidental” damage’s claim per student per school year. Subsequent claims for “Accidental” damages will be on-charged to the parents/caregiver (*as per process outlined below*).

Intentional Damage: Dell does not cover the College for “Intentional/Deliberate” damage to laptops. Costs incurred by the College to repair the laptop will be on-charged to the parent/caregiver via family Fee Statement (*as per process outlined below*).

Examples of damage include:

- Drops and Falls
- Liquid Spills
- Cracked Screens and Physical Damage
- Intentional Tampering

As part of our commitment to continuous improvement, the College has reviewed and refined the way we manage laptop warranty claims, so as to provide families with a timely and transparent communication as to when warranty costs are covered by the school and when they become a family responsibility.

How the process works:

1. **First warranty claim in the calendar year**
 - The Colleges IT support, Afrotech notifies the Student Wellbeing Leader (SWL) in relation to damaged student laptop.
 - SWL informs the family that the repair is covered under warranty.
 - The communication is logged on Colleges Engage system.
2. **Second warranty claim in the calendar year**
 - Afrotech notifies both the SWL and the Assistant Principal (AP) of subsequent damage to student laptop.
 - The AP informs the family that the repair will incur a cost, which will be added to the next school fees statement.
 - The communication is logged on Colleges Engage system.

This process ensures families receive consistent information, students remain supported, and the College can manage warranty entitlements and costs effectively.

This process will be implemented for all laptop warranty claim communications moving forward.

Refunds for Co-Curricular Activities

For all Co-Curricular Sport and Music, **Please Note:** If the student cancels their enrolment/participation part way through the term – no refund will be given once the charge appears on your Fee Statement. Based on initial enrolments for Co-Curricular Activities the College commits funds to Coaches, Referees, Tutors, Buses etc. – and these fixed costs must still be paid regardless. ***This is why the College will not refund Fees part way through the term.***

Unreturned Text Hire Charge

All students are accountable for any text hire/library material that is issued in their names. The cost of unreturned text/s will be applied to the Family Fee Statement, that still have outstanding texts, after reminder processed have been followed each term. Even if the text is subsequently returned, the cost of the text charged will not be reversed.

Graffiti/Wilful Damage Charge

If evidence exists that specific student(s) have caused deliberate and wilful damage to College property, the College reserves the right to Invoice the parents/caregivers for reasonable costs incurred by the College to rectify the damage.

P&F Volunteer Offset

As mentioned above in Fees and Charges, from 2025, and in line with other BCE Schools, San Sisto will no longer offer the 15-hour volunteer offset of the P&F Levy. Due to limited parent uptake in prior years, as well as the College now outsourcing both our Tuck-Shop and Landscaping Services, the activities previously used for this offset the P&F Levy are now no longer available.

Discount for Upfront/Yearly in Advance Payment

Families who elect to pay the full year's fees and levies, strictly by the due date of the Term 1 school fees statement, will receive a discount of:

- \$360 (single student).
- \$640 (two students); or
- \$840 (three or more students)

off the annual total, the discount will be processed and shown on the Term 2 Account Statement.

Please Note: An annual statement cannot be issued by the Finance office.

Refund Policy when Cancelling Enrolment at the College

Where a parent/caregiver of a student intends to cancel a student's enrolment, the College requires ***written notice to be given to the Principal at least one full term's notice*** of the cancellation.

Where the parent/caregiver fails to give at least one full term's notice, the College reserves the right to invoice the parent/caregiver for one term's fees and/or additional levies and charges in lieu of notice.

Please Note: All College resources – Text Hire, Library Books, Laptop and Accessories – must be returned on the Student's last day at the College. Unreturned resources will incur an additional charge on your final Fee Statement.

Overdue Accounts

It is easy to overlook an account in the rush of everyday life and for this reason we send an overdue account statement for accounts that are unpaid fourteen (14) days after the due date. If you are experiencing difficulty paying your account, please contact the College Finance Office as soon as possible to negotiate a payment plan. As fees and levies collected are used to benefit all students attending the College, it is imperative that the payment of accounts be kept up to date.

When an account remains unpaid for a period of 90 days or more and where families have failed to respond to communication, the College reserves the right to refer the unpaid account to a professional debt collection agency for recovery. This action is taken where there has been a persistent pattern of failure to meet obligations or to negotiate appropriate payment plans.

Once accounts have been handed to the debt collection agency the matter passes out of the control of the College and all negotiations for payment must then be made with the debt collection agency.

Special concessions (see page 13) are available for families experiencing financial difficulty. If you require further information, please contact the College Finance Office.

Concessions

San Sisto College is committed to providing a Catholic education to all children. In cases of financial hardship, the College will consider offering a concession on ***Tuition and Capital Levies***. Please Note: Concessions do not apply to Student Year Levies, P&F Levies or other Educational and Co-Curricular Charges.

Concessions on fees are not ongoing, and applications must be resubmitted at the commencement of each school year. Concessions cannot be applied retrospectively.

Concessions are means tested in line with Federal Government guidelines. The assessment process takes all income into consideration including wages, youth allowance, all other Centrelink payments, as well as housing costs (for example rent/mortgage). Once a fee concession is granted, it is essential that this commitment is honoured in full and on time. The College's offer of concession is dependent upon the account being kept up to date and therefore a ***Direct Debit payment authority must be in place***. If family circumstances change the college Finance Office must be notified immediately.
