LESSON PROCEDURES

Lessons are held during normal school hours. Out-of-class times (before school, after school and at breaks) are offered to Year 11 and 12 students first and are at the tutor's discretion.

Lesson times are published in the morning notices and on Microsoft Teams, and tutors also email them directly. Students are responsible for checking their own lesson times.

Missed lessons without notification will incur the lesson fee. If your child is sick, please notify the tutor and the CMP Coordinator by email before 7am. Where notice is given, the tutor will endeavor to make up the missed lesson.

Lessons run on a rotating timetable so that students do not miss the same academic class each week. Once students are familiar with their teachers and subjects, they may discuss the best lesson times with their tutor. Several of our music students successfully manage multiple lessons each week during school time.
