LESSON FEES

Music fees are issued by account through the individual tutor's business. Fees are charged on a school term basis and are set at the beginning of each year. The relevant musician professional body determines industry fees.

LESSON FEE STRUCTURE

Families may elect their child's lesson to be either:

Individual Private Tuition	30 minutes	\$40.00 per lesson
Group Shared Tuition	30 minutes	\$27.00 per lesson

Tutors will invoice Term 1 fees within the first two weeks of lesson commencement. Fees are due within 14-days of invoice. Failure to pay the lesson invoice by the due date will result in suspension of lessons until invoices can be paid. The following term's fees will be invoice to families at the end of the previous term where possible.

LESSON PROCEDURES

Lessons are conducted within normal school hours. Any out of class times (before/after school and at breaks) are first offered to Year 11 and 12 students and are up to tutor discretion.

Student lesson times are included on morning notices, Microsoft Teams and lessons times are emailed out by tutors. It is the responsibility of each student to check their lesson time.

Missed lessons, without notification, will incur the lesson fee. If your child is sick, **the parent/guardian** must endeavour to provide notice by 7am to the tutor and CMP Coordinator via email. The tutor will endeavour to make up missed lessons where notice is provided.

Lessons are organised on a rotating timetable to ensure that students are not missing the same academic lesson each week. Once a student is familiar with their teachers and subjects, they may further discuss with their tutor the best times for their music lessons to occur. We have several current music students who manage multiple music lessons each week, during school time, with great success.

PRIVATE LESSON ENROLMENT

To enrol your daughter in private lessons, parents/guardians need to complete and sign the Private Lesson Enrolment form. Multiple lessons can be enrolled for on the one form. This form then needs to be returned to the College either via EdSmart Parent Slips (current SSC students) or by emailing it to the CMP Coordinator, or you may print a hard copy and return it to student reception (new SSC students). Digital copy is preferred. Once it is returned, further information regarding lessons will be emailed to parents and the student can begin lessons. **The enrolment form signs the student to lessons for the entire year, unless written notification (via email to Coordinator and Tutor) is received 2 weeks prior to the end of a school term (before commencement of the next term). Failure to do so will result in that following term's fees being charged.**

HIRE INSTRUMENTS

San Sisto College has a variety of instruments that can be hired. If you would like to do so, please contact CMP Coordinator Rachael Jory (rachael.jory@bne.catholic.edu.au) for more information and tick the hire instrument box on the enrolment form.

ENSEMBLES

The college has a variety of small and large ensembles, both open and audition-based, for students to participate in. It is highly recommended that all students who have private music lessons participate in an ensemble at the college. The skills gained in ensemble are incredibly value to building musicality and technique as a musician.
